Dr. MacDonald
Principal Prof. College.
Toronto -

Dear Dr. MacDonald -

The Janet Carnochan Chapter I.O.D.E. propose holding their Annual Bazaar in aid of Patriotic and Red Cross work and will be most grateful if as in the past two years, may again hold it in Convocation Hall. The date preferred is November 10th (Saturday)

If possible we should like to have the use of the big room at the rear of Hall for a little longer time than before. Our Bazaar is a huge undertaking as we are practically all members of the Teaching Staff of the City and our time is limited. If we could have the big room from four o'clock the Thursday previous it would enable us to put our booths in much better shape without the great rush of former years.

that we could have everything removed by noon of the Monday following Bazaar. I am enclosing a statement of the 1915 Bazaar that you may see what has been done in the past. I am sorry that I have not a report of 1916 at hand.

Thanking you I am

Very truly yours.

Miss Margaret T. Bynoman,

608 Jarvis Street,

Toronto.

Dear Miss Bynoman:

Dr. Candler, the Principal of Knox College, handed me a letter which came to him, but which he thinks was meant for me. It was addressed to Dr. Macdonald, Principal of Knox College. The Principal of Knox College however is Principal Candler, and he lives at 68 St. George Street, not 59. Knox College has no Convocation Hall such as you require and he thinks that you must mean the Convocation Hall of the University.

I am sorry, however, that we are unable to allow you to have the Convocation Hall this year as it has been handed over to the Military Authorities and have been occupying it since last May.

Yours sincerely,

President.
